Saint Pius X
Catholic High School

Saint Pius X is a smaller, inclusive Catholic secondary school where our students feel safe and cared for. We value our students and are proud of their academic achievements which is testimony to their hard work and the dedication of the staff. Much has changed since we opened our doors in 1957, with ongoing refurbishments to the building. The school continues to develop and improve, providing the best possible education for our students by making learning as rich an experience as possible.
